ABOUT US

DESIGN PEEK LTD began with a mission to redefine apparel sourcing through precision, integrity, and partnership. Founded in Dhaka's garment hub, we have evolved into a trusted sourcing and production support partner for global fashion brands.

With a 6,000 sq. ft. office located just 2 km from Dhaka International Airport, we operate with agility and efficiency. Our team of 50 skilled professionals drives an annual turnover of USD 30 million, combining deep local manufacturing knowledge with strong global market insight.

Our flexible sourcing model, ethical practices, and hands-on merchandising have built long-term partnerships across Europe and North America. At DESIGN PEEK LTD, growth is about adding real value—every step of the way.

OUR SERVICE

OBJECTIVE & EFFECTS

- >Respect for inclusive culture, ethical business, and global humanity.
- >Act as the Arm, Ear & Eye of our customers.
- >Align business objectives to positive impacts on supply chain, environment & global safety.

SUSTAINABILITY

- >Use technology to craft sustainable fabrics & trims.
- >Work with partners using recyclable and renewable resources.
- >Collaborate with manufacturing components to help customers reach sustainability goals.

VENDOR SELECTION

- >Source quality-focused, compliant vendors
- >Evaluate factories on quality, compliance, capacity, tech, workforce, and financial capability.

RESEARCH & DEVELOPMENT

- >R&D teams innovate fabrics, finishes, and rinses before trends emerge
- >Collaborate with mills to meet client specifications and pricing targets

COMPETITIVE PRICING

- >Offer authentic low-cost sourcing with deep product knowledge
- >Monitor global markets and demand to ensure realistic, competitive pricing
- >Work with factories to determine accurate cost structures

ORDER EXECUTION

- >Dedicated teams manage sampling, pricing, sourcing, and production
- >Operate under top management supervision with high professionalism

MERCHANDISING

- >Product-specific merchandisers supported by CAD and technical teams
- >Manage fabric, trim follow-ups, and align with client needs for quality, price, and timeline

INTERNAL QC

- >QC team supports sampling with technical feedback and basic lab testing
- >Collaborate with reputed international labs for advanced testing

FABRIC & TEST QC

- >Inspect yarn, knitting/weaving, dyeing/finishing, and final fabric quality
- >Ensure defect-free fabrics with strength and colorfastness
- > Monitor laundry/washing process and resolve garment dyeing issues

PRODUCTION & QA

- > Experienced QA/QC teams conduct audits across production stages
- >On-site technical experts ensure quality from cutting to packing

OPERATIONAL EXCELLENCE

- > Provide regular updates from sampling to shipment
- > Identify and correct issues early for on-time delivery
- > Inspect samples against buyer specifications

AUDIT & FINAL INSPECTION

- > Independent team performs unannounced audits
- > Conduct pre-final inspections to meet buyer satisfaction

COMMERCIAL & LOGISTICS

- > Handle strategy, shipping, customs, export docs, and buyer coordination
- > Ensure timely ETD/ETA and accurate delivery of consignments

MEN'S WEAR

We specialize in a wide range of men's wear, combining style, comfort, and durability. From casual basics to premium fashion pieces, our collections are tailored to meet the demands of global brands. With a focus on fit, fabric, and finish, we ensure each garment reflects modern trends and timeless quality.

WOMEN'S WEAR

Our women's wear line blends modern trends with timeless elegance. From everyday essentials to fashion-forward pieces, we design with comfort, quality, and confidence in mind. Each garment reflects our commitment to style, fit, and empowering the modern woman.

KID'S WEAR

Our kid's wear collection is designed with comfort, safety, and durability at its core. We offer fun, functional, and fashion-forward styles that meet global quality standards. From playful prints to practical designs, every piece is made to support active, growing kids.

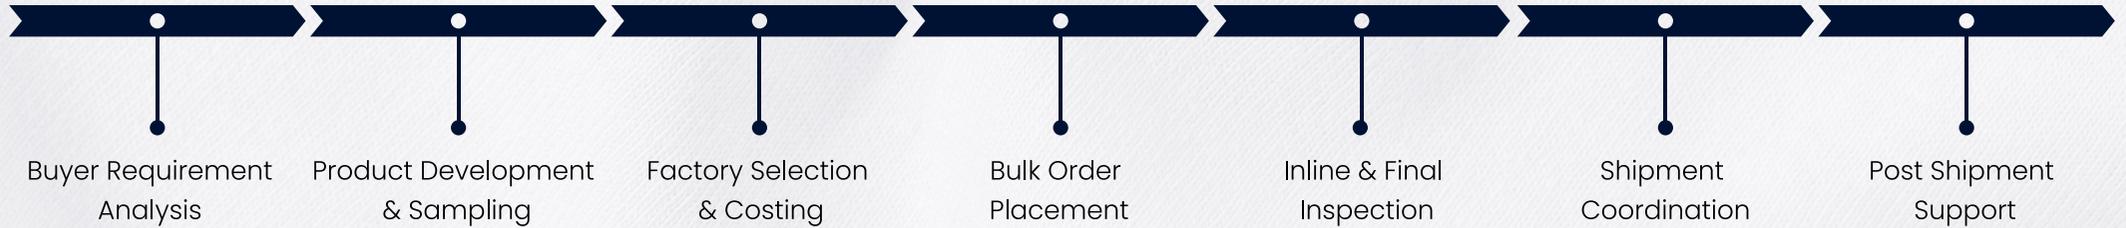

ACCESSORIES

Our accessories line complements every style with quality and versatility. From bags and belts to hats and scarves, we offer thoughtfully designed pieces that enhance both fashion and function. Each item is crafted to meet international standards and elevate the complete look.

OUR WORK PROCESS

We follow a structured, transparent, and efficient workflow that transforms buyer requirements into high-quality finished products delivered on time. From initial product development to postshipment support, each step is carefully managed to meet client expectations with precision and professionalism.

OUR CLIENT

"Your success is our success we stand by your brand, every step"

SOCIAL RESPONSIBILITY

Our ethical business approach is defined by deep partnerships, community empowerment, and a commitment to equal treatment everywhere. As a result, we operate under strict social and environmental values. Our skilled team follows clear guidelines set by our customers' CSR teams, ensuring fair manufacturing environments, freedom of employment, and a sustainable supply chain. We combine fashion with ethics, prioritizing health and safety, environmental and social responsibility, and long-term sustainability in all aspects of our operations.

Ethics Woven
Into Every
Stitch

At DESIGN PEEK LTD, social responsibility is at the heart of our operations. We uphold ethical manufacturing, fair labor practices, and sustainable sourcing, aligning closely with our clients' CSR standards to ensure a responsible and transparent supply chain.
